

Please see the following approved paint colors. You will still need to contact us to talk to us about what room you would like to paint in your house. Please know which color you are planning to use. You can also use the link on our FAQ's page to get to SW Color Snap Page.

You can go to ANY Sherwin-Williams paint store. Tell them you are with Friday Properties Management, and they will have all of our colors on file, but they will also give you a discount of paints and supplies! You must use an interior paint with egg shell finish.
